

Platinum Series Enclosure

The Platinum Series polycarbonate enclosure offers flexibility for applications requiring a large size enclosure in a lightweight, non-metallic design.

STANDARD FEATURES

- Easy ordering: one part number includes mounting flanges, internal stiffener frame, polycarbonate latches, and four multi-max rails (mounting panel sold separately).
- Interior rear wall mounting - multiple bosses for direct mounting of devices or DIN rail
- Polycarbonate hinge with stainless steel hinge pin
- Light gray with a gloss finish
- Opaque or clear covers
- Largest polycarbonate enclosure available

DESIGN OPTIONS

- Quarter Turn Latch
- Three Point Latch
- Swing Out Panel
