

Elite Series Hinge Cover & Locking Latch

Adalet's Elite Series locking latch enclosures have hinged covers that close with stainless steel latching, and are designed for use in any electrical application requiring a sturdy enclosure.

STANDARD FEATURES

- Four captive cover screws
- Standard color is light gray with a gloss finish
- Bases, opaque covers and clear covers are non-corrosive and UV resistant polycarbonate
- Features a unique T-rail mounting system for face plates, swing panels, layered back panels and variable back panel height
- Brass inserts for securing mounting feet or flanges
- Mounting system, gasket and cover included
- Features multiple bosses for easy installation of devices and DIN rails.
